Your personal card

The Hierophant

Your personal card, The Hierophant, is kept separate from the spread. Its strengths and familiar habits provide a consistent point of view for the reading.

The cards that were face down

POSITION 4 - WHAT YOU KEEP EXCUSING

Three of Cups

Here Three of Cups appears in the position “What you keep excusing.” Within the theme of where a blind spot is reaching into her life and what it is costing there, this is one part of the pattern to examine rather than a fixed prediction. The production writer will replace this layout sample with a complete card-specific interpretation connected to the other positions.

POSITION 5 - WHAT YOU FEEL YOU ARE OWED

The Empress

Here The Empress appears in the position “What you feel you are owed.” Within the theme of where a blind spot is reaching into her life and what it is costing there, this is one part of the pattern to examine rather than a fixed prediction. The production writer will replace this layout sample with a complete card-specific interpretation connected to the other positions.

POSITION 6 - WHAT'S LEFT OF THE LOVE

Six of Cups

Here Six of Cups appears in the position “What's left of the love.” Within the theme of where a blind spot is reaching into her life and what it is costing there, this is one part of the pattern to examine rather than a fixed prediction. The production writer will replace this layout sample with a complete card-specific interpretation connected to the other positions.

POSITION 7 - WHAT YOU WANT TO WIN

Knight of Pentacles

Here Knight of Pentacles appears in the position “What you want to win.” Within the theme of where a blind spot is reaching into her life and what it is costing there, this is one part of the pattern to examine rather than a fixed prediction. The production writer will replace this layout sample with a complete card-specific interpretation connected to the other positions.

POSITION 8 - WHAT YOU SHOW PEOPLE

Knight of Cups

Here Knight of Cups appears in the position “What you show people.” Within the theme of where a blind spot is reaching into her life and what it is costing there, this is one part of the pattern to examine rather than a fixed prediction. The production writer will replace this layout sample with a complete card-specific interpretation connected to the other positions.

POSITION 9 - WHAT HOME FEELS LIKE

The Hierophant

Here The Hierophant appears in the position “What home feels like.” Within the theme of where a blind spot is reaching into her life and what it is costing there, this is one part of the pattern to examine rather than a fixed prediction. The production writer will replace this layout sample with a complete card-specific interpretation connected to the other positions.

POSITION 10 - WHAT IT COSTS IN MONEY

Nine of Swords

Here Nine of Swords appears in the position “What it costs in money.” Within the theme of where a blind spot is reaching into her life and what it is costing there, this is one part of the pattern to examine rather than a fixed prediction. The production writer will replace this layout sample with a complete card-specific interpretation connected to the other positions.

How the cards connect

The 7 newly revealed cards belong to The Tree of Life. The final reading must connect them to the 3 cards already read, the question, and The Hierophant as the personal-card perspective. This local sample proves that structure; it is not a customer interpretation.
